

Let's "Turn it Up" through works of love, justice and service!

Many Lay Women and Men may be called to a full-time vocation in service with those who are marginalized and are in need in the world today. Together we form a covenant community that is rooted in Scripture, informed by history, driven by mission, ecumenical in scope and global outreach.

There is an opportunity to be part of a supportive community to get to know who we are and how we serve.
