GRAND TRAVERSE AREA

Save A Life Foundation

Church Women United, Grand Traverse Area, takes the lead in Michigan to assist our Veterans, Widowed Spouses and Families in fighting Opioid and Narcotics Addiction. A national and local crisis that impacts our area churches, neighborhoods and schools; shredding the very fabric of our communities. Save A Life Foundation offers 'Help at Hand' by promoting opioid awareness, providing education and putting valuable resources on a mobile communication app for individuals, families and loved ones struggling with addiction.

A note from Julia...

Summertime - I hope you have taken time to enjoy the beauty of God's creation the past couple months, as I have... sunrises, sunsets, a bright noon, refreshing rain, beautiful flowers, bird songs, even the squawking blue jay telling me the feeder is out of sunflowers seeds.

As summer's end is in sight, my thoughts turn to Church Women United and our times of learning, serving and fellowship together. Our theme for this year is, 'Who is My Neighbor?'

Looking in the concordance of my Bible, neighbor is mentioned from Exodus through James. Love your neighbor as yourself, do not plot against your neighbor, he who despises his neighbor sins, who is my neighbor?, love does no harm to its neighbor, each of us should please his neighbor...

Our first meeting this fall will be at Kewadin United Methodist Church on Carin Highway in Kewadin. Our speaker will be Randie Clawson.

For the last three years, Randie has given service at La Posada Providence, a shelter for asylum seekers and immigrant. She taught English for two hours each morning and each afternoon. She was a listening presence of love and God's hope as her joined in activities with the asylum seekers and immigrants. Randie will share with us about her work at the border and how others can be involved.

Please bring a dish to share and your own table service for potluck lunch and join us for a time of learning and friendship.

INGATHERING. Please bring items for Good Samaritan Family Services - Moms and Tots Program in Ellsworth; items for children 3 years old.

Thank you to all who donated items for goody bags, coffee hour and sack lunches. Everything was greatly appreciated.
