DISTRICT ANNUAL CELEBRATION GOES VIRTUAL
JOIN US SEPTEMBER 16, 2020 ON ZOOM

RELEVANT INFORMATION FROM THE PRESIDENT’S DESK
John 14:1 (NIV) “Do not let your hearts be troubled. Trust in God; trust also in me”.

Greetings:

Daily life has seen drastic changes since the beginning of 2020 due to the corona virus. Social activities came to a standstill and the Mid-Michigan District of United Methodist Women had to adjust to keep you safe and healthy as we canceled our Spiritual Growth Retreat. As we look forward to our September 16, 2020 District Annual Celebration, the Mid-Michigan District will be following the direction of the Michigan Conference of United Methodist Women, and hold our District Annual Celebration by Zoom. This July edition of The Messenger is full of information you will need in order to participate in the Mid-Michigan District Annual Celebration through the Zoom technology.

I am aware that some do not have computer access; however, a small group may be able to meet in a home or at your church to share the Zoom connection while being safe and social distancing. Included, in The Messenger, are the items to be voted on: the proposed 2021 budget and slate of officers, and amendments to our Standing Rules. In addition, you will find the registration form to be completed IF you plan to attend District Annual through Zoom. Once you return your registration form, you will receive a booklet containing the agenda, proposals to be voted on, names of certificate recipients, the memorial list and other items that will be relevant. You will receive the booklet and Zoom instructions through your email address so you will be able to print it off in time for the meeting. Since we will not be meeting in person there will be NO registration fee; however, if you are able you can return a check as a donation for the charities we have listed with the registration form. Please make your check payable to Mid-Michigan District United Methodist Women.

Please review this newsletter carefully for all of the information you will need and please give us a call if you have any questions. This is a different and new format for District Annual and we are all learning.

I lift each of you in prayer for health and safety, for our world and country as we change our way of life and thinking. Please love each other as creations of God and respect each other as we discuss racial justice issues that have been pushed aside for over 400 years. Let us all be part of the solution and not the problem.

Blessings, Peace and Love,

Donna Kleiver
President Mid-Michigan District UMW
DID YOU REALLY SAY WHAT I HEARD?

There are many times when what we say doesn’t send the message we intended. The tone of our voice, the words we choose, our facial expression (sometime skewed even more when we use electronic communications) and whether or not we have the attention of the listener. For example:

<table>
<thead>
<tr>
<th>I SAID</th>
<th>YOU HEARD</th>
</tr>
</thead>
<tbody>
<tr>
<td>Great presentation today</td>
<td>Guess it wasn’t good before</td>
</tr>
<tr>
<td>That’s a thought</td>
<td>I don’t like that</td>
</tr>
<tr>
<td>Did you sell our fund-raiser</td>
<td>Can’t you do more</td>
</tr>
<tr>
<td>Your hair is lovely</td>
<td>What was wrong with it before</td>
</tr>
<tr>
<td>Are you losing weight?</td>
<td>Should I be?</td>
</tr>
<tr>
<td>We really liked how (insert name) did it</td>
<td>Guess I shouldn’t try anything new</td>
</tr>
<tr>
<td>You remember the deadline, right?</td>
<td>I’m not competent</td>
</tr>
<tr>
<td>Maybe you should form a committee</td>
<td>I’m not doing well on my own</td>
</tr>
<tr>
<td>Really? You liked that book?</td>
<td>Maybe something’s wrong with me</td>
</tr>
</tbody>
</table>

And, I’m sure you can think of situations where you may have chosen words that were heard much differently than you intended. Leaders learn on a daily basis. The important thing is to use what we learn. In this time of advanced technology, it is even more important to be cognizant of the words we use. Many times have I wished that I could take back the words I used. Many other times I have wished I could remember the words to use (but that’s a whole different story!) Just remember, a good leader is also a good listener; listen to the words you use and know that not everyone will hear them as you do.

Sharon Smith,
Vice President
Presenting the keynote address is Ellen Harbin, speaker and author. Ms. Harbin has a unique quality in her speaking and writing styles where she isn’t afraid to confront harsh realities or difficult issues. Ellen has listeners laughing, crying, and desiring to dig deep into God’s word. She never dreamed she’d be a Bible teacher, speaker, or writer, let alone all three. No matter the venue or spiritual level, people are encouraged to grow, challenged to change, and influenced to live as Jesus intends through Ellen’s message. She will speak live at our virtual celebration. Her presentation is, “BE THE ONE,” and you won’t want to miss it.

Following the keynote address, President, Donna Kleiver, will conduct the business meeting. Although we will not be meeting in person, the usual business will be conducted: Approval of the 2021 Annual Budget; Standing Rule amendments; election of 2021 officers, recognition of Reading Program participants; recognition of unit accomplishments, and such other business as may come before the meeting.

It is our hope that you will participate in this celebration. We will miss seeing old friends and making new ones and especially worshipping together, but we must keep the safety of our members in the forefront. Consider grouping together to participate. There are likely members in your unit who do not have the technology to participate. Maybe even gather at your church where there may be larger screens (abiding by the appropriate Social Distancing in effect at that time).

UNITED METHODIST COMMUNITY HOUSE

United Methodist Community House increases the ability of children, youth, adults, seniors and families to succeed in a diverse community. UMCH has been all about “community” since 1902, meeting the needs of and offering opportunities to children, youth, adults, seniors and families in the heart of west Michigan. CMCH is committed to serving a diverse population and continually adapts programming to best serve those who need it most.

Both organizations are 501(c)3 nonprofit entities.

PURPOSE OF UNITED METHODIST WOMEN

The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.
Hi all,

I trust this message finds you safe and well. UMCH continues to serve clients and move things forward as best we can. With all of the changes to our routines of normalcy, we have found ourselves in need of a new kind of help! I have a really extreme request for you all to consider...

Once the Stay Home Order has expired and we are able to reinstate CDC programming, UMCH will have to alter protocol to ensure health and safety for all. Part of this protocol will be restricting outside traffic, in our program areas. Here are some examples of protocol changes necessary to do this:

- Parents will continue to sign their children in on the Procare kiosk, but will not be permitted past the lobby
- Classrooms will have parent boards in the lobby for parent notices and information
  - All children must have their temperature recorded, before entry is permitted, daily
  - Items brought into the Center must be in a clear 1 gallon freezer bag; all other items will be restricted at this time
  - Children will be received in the lobby
    - Parents can place their child in a stroller
    - The child will be delivered to their classroom and received by the teacher(s)
- The Parent Portal of Procare has been set up and teachers have trained on how to use the software; this allows the teachers to communicate with parents throughout the day, in real time, with the use of photos, videos, instant messaging, email and distribution of daily forms/reports

Does the UMW have any able-bodied individuals that might be willing to assist us, during this time? We need individuals to help stroll children to and from classrooms, and rotate/sanitize strollers. We also need assistance with temperature taking/recording. We have digital no-touch thermometers and I am working on developing a safety station to perform and record these checks.

I know this is a hard time to ask for physical presence, but I also know the UMW has a legacy of serving on front lines, so I thought I’d ask! I understand either way, but I am hopeful. Any referrals will be welcome. The only criteria will be to submit to a background check with DHHS,

I thank you in advance for your consideration.

Best,

GO GREEN!

Did you ever believe there would be more plastic items in the ocean than fish? That's predicted by 2050. Scary, isn't it?

A small company in the Netherlands is drawing water near land and screening out plastic (Seabin project): then the plastic is converted into objects of use: furniture etc. Another company fishes for plastic; and turns them into small boats which then fish for more plastic: it's called the "Plastic Whale" project. Only 9% of plastic water bottles are recycled; billions are dumped in the oceans. Have you ever thought about where your trash goes?

Sure, you can bring your own cup and use tap water; carry your own silverware; there is a woman in New York whose total waste for ONE YEAR fits in a mason jar. She can't find a place to recycle the stickers on fruit; but has managed almost everything else. But even she notes: "I didn't do it all at once, I started with one thing; using my own coffee mug at restaurants; and went from there". This is an usual year, but it's possible to pack your own lunch: to use multi-use objects (shopping bag, water bottle) rather than single-use items.

So: plant a tree in your yard, it gives back oxygen and consumes CO2.

Ingham County Health Department Household Hazardous Waste Collection resumed June 16 with drop-offs Tues & Thurs 2-6 pm Jolly/Cedar in Lansing. Not in Ingham County? Check with your county government to see if they have a similar program. If not, talk to or write a letter to officials to see if you can get one started.

Another quest: find a second life for things you don't need. Instead of dropping off - set up a "free/cheap shop" with donated items where people can recycle their own things. It need not be large: a small area near the local food bank could be ideal. Our local Kiwanis has been donated space in an antique mall for books - over ten years it has raised over $21,000 which goes back into the community. Recycling need not be just cans!

Or: talk to another person - attend a seminar - think about it when you buy groceries. What can you do to make the world a better place?

NORTH CENTRAL JURISDICTION UMW CONVENTION

The North Central Jurisdiction Convention that was to be held in North Dakota, for United Methodist Women, is being switched to an all virtual ZOOM meeting, including the voting. Below is the website that includes the ballot, presentations by each person running for office, and other information.

PEACE AND JUSTICE

Since the last newsletter, our world has changed drastically. Just when the Corona virus pandemic seemed to ease up a bit, violence and racism erupted, causing on-going protests for change throughout the world.

What can we do to help with both these serious issues? In Isaiah 56:1, the Lord says in part: “Maintain justice and do what is right . . .”

Regarding the pandemic, many churches in our district made masks for those who need them and continue to do so. Other churches have donated money and food to support food pantries and soup kitchens for those in need.

Regarding the racial injustice issues, some parishioners marched with the protesters, while others communicated directly with their legislators to support social justice for all.

In these trying times, Mason UMC pastor, Suzanne Goodwin, said to remember these things:

1. We are not alone. God is with us and will redeem us if we make room for something new.

2. Peace may be found in the knowledge and teachings of Jesus. So don’t forget to talk to Him and listen to Him.

3. Be open to how God may be calling you to be a messenger of love. Try really hard not to join the rhetoric of anger and accusation, but instead, speak messages of love and of justice.

“I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.” John 16:33

Be safe. Be brave.
In His Service,
Nancy Nay

EDUCATION & INTERPRETATION

As a result of their 2019 Mission Today accomplishments, 25 local churches will be recognized at our annual celebration for all of their efforts in FAITH, HOPE, JOY and LOVE. Congratulations!

If you have printed the 2020 Mission Today form from your April issue of The Messenger, please note that the address on the back should read 601 Randolph. An updated copy of this form will be included with a future issue of The Messenger.

The United Methodist Women Michigan Conference website has a four-part study titled “Finding Peace in an Anxious World”. This study was one that Mission u attendees were looking forward to so, with Mission u canceled, please take advantage of this on-line alternative.
