

# NORTHERN SKIES DISTRICT MICHIGAN CONFERENCE

Fall – Winter 2020

## PRESIDENT

Greetings United Methodist Women.

Just a reminder before I dig into the business before us, that Jesus loves you! So simple yet so profound. I urge you to make a list of all your friends then pray for each one by name for 30 days. That's my challenge for you.

I attended a School to Prison Pipeline Bible Study in February in Lapeer. I learned much about this pipeline that I have heard about as part of our Social Action. Hopefully next year I can start sharing what I learned with local units.

Although Mission U was cancelled this year, there is a 4-week video presentation online. *Finding Peace in an Anxious World* is taught by Rev. Dr. Devon Herrell, pastor at Big Rapids First UMC. Find it at [umwmichiganconference.org](http://umwmichiganconference.org).

We have some changes in the Northern Skies UMW District.

1. Our District Celebration will not be held in Menominee in October. Because of the Covid-19 Pandemic it is unwise to meet as a large group so voting materials are included in this newsletter. Please send in your ballot by September 29. You can notify your members as you see fit. The two issues we need to vote on are: the 2021 Budget and the Slate of Officers for 2021.
2. Our District Celebration is changing to May and our Spiritual Growth Retreat to October. Because of the change of our reporting year (ending in December instead of September), we felt that clearing the books in May for the previous year instead of October, as well as recognition of 5-Star People, 5 Channels of

Giving Units, Mission Objective recognition, and Reading Program recognition just made sense.

3. We need a Chair of Nominations. We were sorry to see Sharon Rice leave, and we thank her for her service! Is anybody out there good at recruiting women to fill positions? You would have the help of the nominations committee. Get in touch with me to volunteer!
4. The Michigan Conference UMW meeting will be held virtually this October instead of in person. Please stay tuned to the [umwmichiganconference.org](http://umwmichiganconference.org) website, the Michigan UMW Facebook Page or the Northern Skies UMW Facebook Page for updates.

Have a good and Godly remainder of 2020!

## VICE PRESIDENTS

Greetings! We are hoping this finds all of you healthy and busy with all kinds of old and newly discovered hobbies and projects during this time of social distancing. Like a sign of the times, there is not

much “news” happening to report to you except to note that for a variety of reasons it has been decided by the district leadership team to cancel and reschedule our annual fall celebration for 2020. There will be NO fall celebration in October 2020. However, going forward we will transition this event to a spring celebration each year. Our 2021 celebration date is yet to be determined but will tentatively be the first or second Saturday in May. It will take place in Menominee. (The annual spring retreat will now take place each fall.) We are continuing to work on a meaningful program in May 2021 and are pleased that our featured speaker will still be able to join us and share her talent as an awesome storyteller. We are hoping for an in-person program at that time, and the registration form will be included in the next newsletter. Until then, stay well and we hope to share time with everyone at the spring celebration in May 2021.

Blessings to all,

Linda Maiullo maiullol@aol.com 313-580-1271	Judy Misner auxchenes2@gmail.com 906-643-7191

### SECRETARY

“Strange times, indeed” “When will I see you again?” “What the world needs now is love, sweet

love...” I’ve been listening to the oldies station too much! But don’t you wish we could “go back in time” to last Fall when we just had our normal worries & concerns?

Last Fall was when local units filled out their **Local Unit Officers Forms** and returned them to me, believing that our lives would continue as usual. Despite the changes & challenges we are facing, I’m still asking for your 2021 Local Unit Officers Forms. Aren’t you glad some things haven’t changed? You can find the form in this newsletter with directions on how to get the information to me.

I thought it would be interesting to share some of the information we gathered. According to the forms returned to me last Fall:

- We have 25 local UMW Units with a total of 560 members.
- Our largest Unit is St Ignace with 56 members. Four Units are 10 members strong: Germfask, Negaunee Mitchell, Rockland St Paul’s, & Sault Ste Marie.
- Two Units were functioning without a president, one unit operates with a presidential committee, and one unit has a summertime president & a wintertime president.
- Most of our units do not have all ten positions filled but Gwinn, with 32 members, & Manistique, with 28 members, do have a full board as do Greenland & Newberry, each with 12 members.

No matter our size, we have found creative ways to handle the challenges we face. Be proud (yet humble) as you fill out those 2021 **Local Unit Officer Forms**! Even if nothing has changed, please double check the information & return it to me. Thank you.

Until we meet again,

Bobbi Sundquist

### TREASURER

It’s been a quiet few months in the Northern Skies District. I hope this finds you all well and enjoying the beauty of our part of the world this summer. There isn’t much to report from the financial end of things. A few of you have sent in a check, but of course with groups not meeting and unable to carry out normal events, I was not expecting much activity.

Just a reminder that now that we are on a calendar year basis (Jan – Dec) you have until the end of November to send in any money for this year. Last year I received several checks in December and since it was our first year on the new schedule, I went ahead and credited the payments to 2019, but I will not be doing that this year. If you want to be a 5-Star unit or a 5-Star woman, please make sure that I receive all your payments by Nov 30, as I have to have all monies in to the Conference treasurer by Dec 5. All of the 5-Star units and 5-star women will be recognized at our District Annual Meeting, which we are planning to have in the spring, with the Spiritual Growth Retreat moving to the fall.

One additional note: when you are sending in money for a Special Mission Recognition pin, please use one of the standard amounts given on the form (\$40, \$60, \$100 etc.). There have been some sent in with gifts of \$50, and that makes a little more complicated in sending it in to National, because it has to be entered as 2 separate amounts--\$40 for the pin and \$10 as a donation. So, this is just a request to make my job a little simpler by using the standard amounts. Thanks!

As always, I am available by phone or email if you have any questions or need help with any forms.

## **SPIRITUAL GROWTH**

YES! We are still Methodists. And we are still the United Methodist Women, and we are still 'The Church'!

Just think what has come from change. We weren't

always like our current UMW. We had 21 predecessor organizations combined through time and change to become what we are today. We still

have the same purpose and that is to be women led by faith, followed by faith asking us to do something, and then faith to put that something into action. We can try to grow in our faith, and have that faith grow into an action.

We have certainly seen changes in the past few months; something that has not been experienced in most of our lifetimes. Some really disappointing cancellations! Our Spiritual Growth Retreat, Mission U and District Celebration, and many had children or grandchildren's graduation ceremonies, special birthdays, etc. cancelled. But I hope we can focus on the many, many things that have not changed. God, the Bible, compassion, love, and joy in the small things.

Have you seen a change of a little more personal Spiritual Growth during our quarantine time? More reading the Bible or UMW reading program books? Maybe more services online than you would normally listen to? More taking time to call someone for a long past-due chat? I have really enjoyed the "funnies" that have come out (such as the one included) and some very nice inspirational posts. But in the past few weeks we seem to have grown out of the funny and inspirational and now most posts are political, so it's time for us to grow past that. Grow instead of stagnate so we can prepare for our time back together and just for the sake of growing ourselves.

We are not meant to quarantine our spiritual growth. Paul prays for the Colossians (1:9-10) that they "would all be filled with the knowledge of God's will in all spiritual wisdom and understanding so that they may lead lives worthy of the Lord, fully pleasing to Him, as you bear fruit in every good work and as they grow in the knowledge of God". And 2Peter's letter urging Christians to grow in their faith and knowledge of Christ. "But grow in the grace and knowledge of our Lord and Savior Jesus Christ" (3:18a)

I am so very thankful that we have the technology we do. This Covid 19 pandemic has been compared to the 1918 Spanish flu but quite different since we can now spread facts (and

fiction) very rapidly. (I found some very interesting reading when I googled 1920 pandemic. I got: "20 of the worst epidemics and pandemics in history".) But being able to see or hear our church services, meetings, or Bible studies online has been wonderful for those who have access to that technology.

May we all grow our Spirit in Christ as we move forward.

## **SOCIAL ACTION/EDUCATION & INTERPRETATION**

Greetings come to you from Moira and Beth. We hope you are staying safe and healthy. It is such a different life these days.

We want to remind you of the UMW Social Action campaigns for 2017-2020. We will be looking at new ones in 2021. Our four campaigns are: Just Energy For All, Interrupt the School-to-Prison Pipeline, A Living Wage for All, and End Maternal Mortality. We hope you will consider these when planning programs. More information is available at [unitedmethodistwomen.org](http://unitedmethodistwomen.org).

Thanks to all the units for completing their Mission Objectives. Included in this newsletter is a sheet where you will see a list of areas that units have given to. We have tried to condense the list as there were so many.

If you have any questions, please feel free to contact us.

Blessings to all and stay safe.

## **PROGRAM RESOURCES**

In this very unusual time in which we are having no face-to-face meetings, I have a couple of ideas to facilitate getting Reading Program books to you. First, email, phone me, or send a traditional letter to me with your book request. The library does not have all of the books from the booklist, but it has most of them. If someone in your unit has a computer tablet of some kind, you can purchase an e book copy of the title you want (from Amazon or another supplier) and pass it between you. I know some of the units purchase their own copies.

I suggest that each reader wear a mask and wash their hands thoroughly and often when reading, no matter which format you choose. If we do this mailing to and from the District Library, I will let the book sit for at least 5 days before I send it out again.

Because of the times in which we are living, I have pulled a few titles (that are right here, right now) that may help us to understand our present-day world a little better. Disclaimer: I have not read all of these books,

- [Pushout: The Criminalization of Black Girls in Schools](#) by Monique W. Morris
- [Holding Up Your Corner; talking About Race in Your Community](#) by F. Willis Johnson

- Pre-Post-Racial America; Spiritual Stories from The Front Lines by Sandhya Rani Jha
- Who Lynched Willie Earle? by Will Willimon
- The Fig Tree Revolution; Unleashing Local Churches into the Mission of Justice by Bill Medford
- Faith Ed; Teaching About Religion in an Age of Intolerance by Linda Wertheimer
- One; Unity in a Divided World by Deidra Riggs
- Nobody Cries When We Die; God, Community, and Surviving to Adulthood by Patrick B. Reyes
- Be Still; A collection of short essays which illuminate how faith and faithful living may respond to our contemporary world by Gordon C. Stewart
- Step Up to the Plate by Maria Singh
- Born on Third Base; A one percenter makes the case for tackling inequality, bringing wealth home, and committing to the common Good by Chuck Collins
- 6 X 10; Stories from solitary by Mateo Koke

#### Picture Books:

- All the Colors We Are; The story of How We Get Our Skin Colors by Katie Kissinger
- Our Rights; How Kids Are Changing The World by Janet Wilson
- Midnight Teacher; Lilly Ann Granderson and her secret school by Janet Halfmann

REMINDER: I have not received many reports from 2019. I think some of the unit reports just didn't get sent in. It's not too late for your unit's accomplishments to be recognized.

You have until Dec. 31, 2020 to fulfill your reading goals for 2020.

We, of course, still have many other books for your reading pleasure! Keep in touch.....

#### NOMINATIONS

We need a Chair of Nominations. We were sorry to see Sharon Rice leave, and we thank her for her service! Is anybody out there good at recruiting women to fill positions? You would have the help of the nominations committee. Get in touch with Patti Steinberg to volunteer!

#### NEWSLETTER COORDINATOR

Putting together a newsletter during a pandemic is a challenge, as is everything else. As always, if you're receiving this newsletter by snail-mail and you now have an e-mail address, please contact me with your info so I can start sending the newsletters by e-mail. This will help save District postage costs. Thank you!
