HELP US TO SERVE YOU

Any officer is available to attend your local unit meeting: to encourage you; to help brainstorm ideas; to offer support; to bring a special message; etc. Let us know what you would like to see happening in our district in the way of programs, activities, events, training, etc. It is you, the local UMW, whom we serve. If you have questions or to host a district event or suggest a speaker, please contact your Unit Friend (see page 15 of this directory).

You may also be receiving this if your church does not have a local UMW unit. If that is the case, you have been assigned a Church Friend (see list on page 15) from the District Leadership Team. They should be contacting you to find out if the ladies of your church attend another church's UMW, if your church has another ladies' group and has no desire to be affiliated with UMW or if they would like to begin a UMW local unit. The reasons could be numerous, and we just want to make sure we know everyone's why, needs or wishes. If your church friend does not contact you, please contact her or the Communications Coordinator or the President (see page 3).
